RAK CERAMICS UPGRADES ITS MANUFACTURING LINE

In response to the trend towards bigger size ceramic floor tiles, RAK Ceramics upgraded its facility to boost its production to meet the growing market demand. New machines were introduced to further improve and upgrade its production line. This new investment is a part of the company's commitment to innovation and to provide the highest quality tiles in the market.

The inauguration was led by RAK Ceramics Group CEO Mr. Addallah Massaaad joined by his Senior Management Team.
