PRECIOUS BRICK

Inspired by modern glossy marbles, **Precious Brick** is a ceramic white body tile collection which follows modern interior design trends.
,The collection consists of multiple marble patterns in tones of white, grey and beige - in different surface finishes - glossy and matt with a 10x30 cm size and 20x23 cm hexagonal format for floor installation.
,
,**Precious Brick** pleasantly enhances the look of residential application areas such as the living room, kitchen and bathroom and also light commercial spaces like cafes, restaurants and tea rooms.
,The marble effect tiles blends easily with wood and concrete effect inspired floor tiles.
