ATLANTIS MARBLE

Atlantis Marble is a collection of wall and floor tiles that is inspired by the **elegance of marble** to furnish contemporary styled settings.

,

,The **glazed porcelain tiles** expresses the essence of the marble in two colours, white and brown, and two types of surface look, matt and glossy, in the formats of 59.5x59.5, 59.5x89.35 and 29.65x89.35 cm.

,The wide range of size and finishes enables **Atlantis marble** to offer various wall & floor solutions for residential areas such as living room, bedroom and bathroom, and commercial places such as restaurants, lounges and hotel lobbies.

,

,The collection is complemented with sophisticated decoration set in white colour with the size 29.65x89.35 cm and mosaics in square, octa and strip shaped tacos.
