RAK CERAMICS OPENS ANOTHER SHOWROOM IN ABU DHABI

RAK Ceramics will officially open its third flagship showroom in Abu Dhabi on May 16, 2020. Located in the main hub of the emirate, the new showroom spans across 540 sqm floor area, exhibiting the latest collections of tiles, slabs and sanitary ware products.

With the various ambiances designed with a wide array of products, in different application solutions, customers, architects and designers will find creative inspirations for their future projects. A dedicated space for Maximus is also a feature of the showroom, where visitors can experience the beauty of big sized slabs.

The showroom is located in Post Office Tower, Al Fal St, Abu Dhabi, UAE. It is open from Saturday to Thursday between 08:00 AM to 07:00 PM.

Considering the safety of its employees and customers, the showroom will operate with a strict implementation of preventive measures such as capacity limiting, mandatory use of masks and gloves and constant sanitization as per guidelines from the UAE health authorities.
