RAK CERAMICS PARTICIPATES AS A GOLD SPONSOR AT RED SUMMIT KSA

RED Summit Saudi Arabia is an event bringing together top Project Owners, Designers, Architects, and Contractors working on projects in Saudi Arabia and the Middle East to meet with suppliers and solution providers from around the world on a face-to-face meeting basis. The two-day event will also host forums with different speakers from the industry discussing business opportunities.

During the event, RAK Ceramics will present its latest surface collections and lifestyle solutions to clients from different sectors all across the globe.
