RAK Ceramics wins Wall and Floor Tile of the Year Awards at TTA2017

RAK Ceramics has won two awards at The Tiles Association Awards (TTA) in London, United Kingdom. We received the prestigious **'Wall Tile of the Year' award for our Country Brick range**, and **'Floor Tile of the Year' award for our Circle Wood range**.

“To win a TTA Award is an outstanding symbol of excellence – said **Andrea Mensitieri, Vice President Marketing and Product Development** - and we are very proud to have won two awards at this year's awards ceremony in London. London is one of the most influential hubs for architects and interior designer and we are delighted that our products have received such accolades. These award-winning products are the result of the deep collaboration between all our departments and the dedication of a new product development team headed by Paolo Saielli.” The Tile Association Awards celebrate the success within the tiling industry and honour the top companies that demonstrate excellence and achievement. Winners for the 2017 awards were chosen through a combination of public voting and industry expert critique.
