

You will thank us! Seven reasons why exceptional sanitaryware inspires extraordinary living!

Your new bathroom should be everything you've ever dreamt of, whether you cherry-pick exciting statement pieces or a modest classy upgrade. That's our wish for you! And at RAK Ceramics, we make those dreams come true. We strongly believe that exceptional sanitaryware inspires extraordinary living. And here is how.

At RAK Ceramics, we don't just make flushing systems, faucets, accessories & bathroom furniture. We proudly present curated products that suit international tastes & incorporate the latest rimless technology too. Presenting you with seven top reasons why choosing RAK Ceramics' innovative sanitaryware products inspires great living:

1. RAK Ceramics' flushing systems **help save water** in your bathrooms. Install one of our toilets with dual flush cisterns. **Dual flush cisterns** lets you choose how much water to use when flushing the toilet. Designed to be wall hung, back to wall or close coupled water closets, these toilets are rimless!
2. **Hygienic & easy to clean**, all our sanitaryware products are efficient in design. This makes them perfect for bathrooms of any size. Did you know that in the last 100 years, the average height of people in industrialized nations has increased by approximately 10cms? Curated with an eye for detail, our **toilets** are made with **updated ergonomics**
3. Always choose the **best accessories** when you have a chance. RAK Europa, RAK Squared towel rail holders are some of the most essential accessories you will require for your upgrade. **Custom made** RAK Europa soap holders are chic. 4.

Aurex counter top wash basins for example. **Rounded rectangle** in design, available in alpine white, these are perfect for bathrooms.

5. RAK Ceramics' **wash basins** make an exclamation point for the bathrooms or kitchens. From full pedestals, wall hung, countertop, half pedestals to corner wall hung designs, these wash basins will expound great styles for your bathrooms.
6. Available in brown, black, beige & alpine white combinations, RAK Ceramics' **Wall Hung vanity collection is a dream come reality** for your bathrooms. Explore Trinity Vanity unit this moment. Available in 700X520MM in the color brown, there just is ample storage space for towels, toiletries, toilet papers, napkins, newspapers & so much more!

From faucets to water closets, we have you covered! Don't ignore your **kitchen sinks** while you are thinking of an upgrade. We bring to you doubtless designs in kitchen sinks. Available in pristine white, we made sinks that are drop in, counter top & under the counter too.

Delivered & installed with ease, RAK Ceramics' sanitaryware collection encourages you to find a style & form that fits your need & makes your bathrooms and kitchens look ornamental too.
