

Your lifestyle. Your tile choice.

Tiles are always a premier choice. With so many colors, sizes, shapes & textures to choose from, it is unfathomable what tile experts can do, to make your home dreams come true. Most households require flooring that can withstand newborn kids, grown-up kids, messy kids, pets, lively guests, heavy furniture and so much more. If this sounds like your home, look no further beyond tiles. Not only do tiles suit your lifestyle, they also bring with them ease of clean. Look up our blogs, you will see sustaining tiles is not a mammoth task at all.

A homeowner's foremost focus in renovating a home is to look for the best for their **living room**. Why? Because a living room is the face of a home. Best furniture, finely painted walls. Nice rugs, lovely lights, but what about the floor? The floor is what people observe first. Available in beige and grey, RAK Ceramics' Cementino tiles are perfect not just for large to medium living rooms but also add a classic theme to studio apartments. Also not to forget RAK Ceramics' irresistible Honeycomb tiles. Perfect for light commercial traffic areas & designed with an eye for detail, these tiles are perfect for those who like to keep it minimal and yet sophisticated. Available in white & brown, Honeycomb tiles are a good choice for any home.

Let's talk about the heart of the home first. **Kitchen.** Not only should a kitchen look stylish, but it must also be able to endure spills, grease & dirt. Agree? Ceramic tiles are water-resistant. Procurable in the color brown, RAK Ceramics' Columbia collection, makes every homeowner's kitchen dreams come true.

Cherry-picking the right **bathroom tiles**, need not be hard. Always allocate some time to look at what kind of tiles you would like. Always make a note of the slip factor. Glossy tiles look really pretty however are awfully slippery when wet. Presenting, RAK Ceramics' Crema Flurry or DigiPix Blossom tiles. Available in cream & white respectively, these ceramic tiles are an excellent choice for bathroom areas. Giving the color brown, all sorts of hues, RAK Ceramics' Kathmandu ceramic tiles also make up for our customers' favorite choice.

RAK Ceramics brings you **Sanitaryware** that is ergonomically fit. We never underestimate the importance of comfort & quality which is paramount when it comes to our customers. From rimless to hidden fixations, RAK Ceramics brings you a wide range of products that are carefully curated for the usage of one and all.
