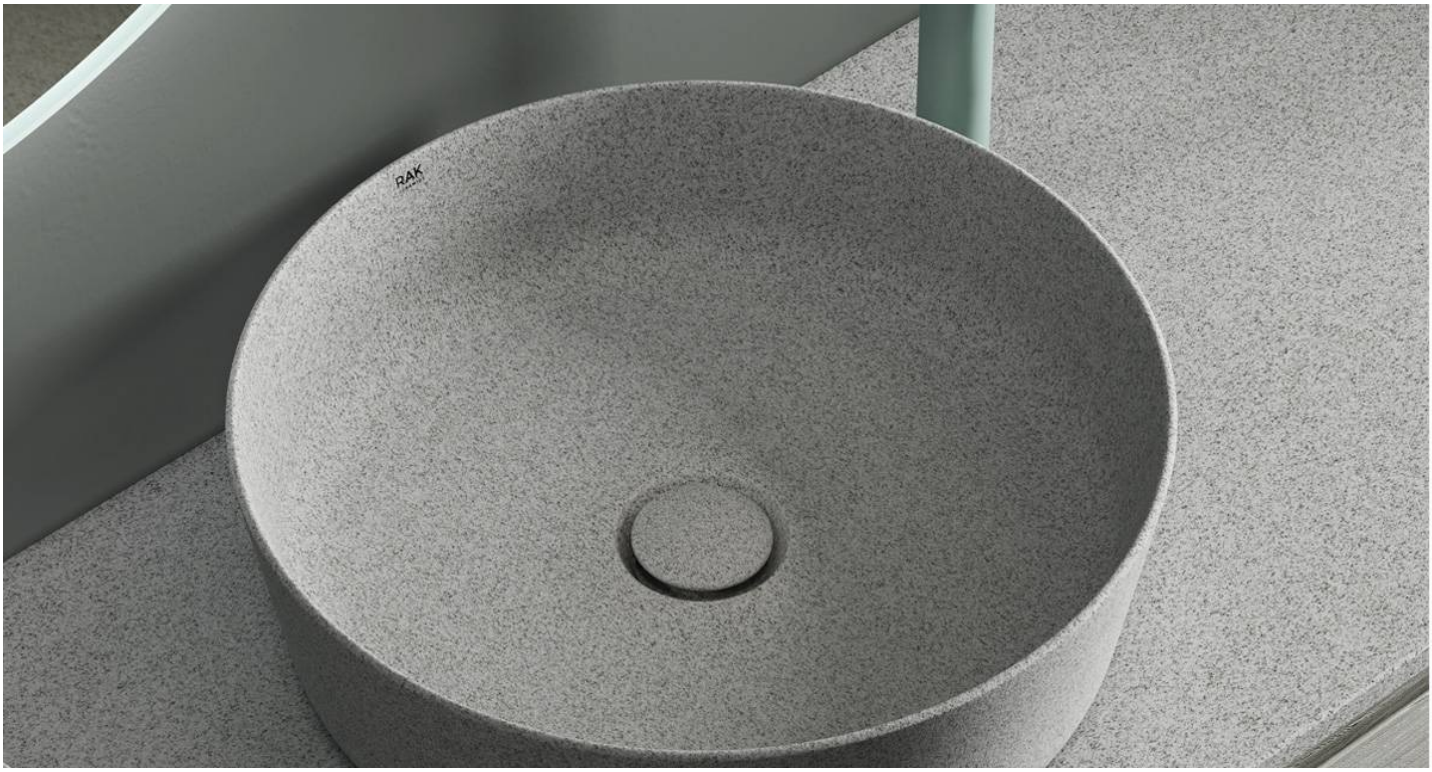
RAK CERAMICS TO SHOWCASE ITS LATEST BATHROOM SOLUTIONS AT MILAN DESIGN WEEK



From the 16th to the 21st of April, at Fiera Milano, RAK Ceramics will participate in Salone del Mobile during Milan Design Week, one of the world's most significant design fairs. Here, they will launch their latest bathroom solutions, where innovation and elegance blend seamlessly.

RAK Ceramics positions itself as a provider of innovative bathroom solutions, presenting its latest washbasin collection with an avant-garde finish, RAK-Skin, at Salone del Mobile. The tropical Balinese-inspired washbasin collection, RAK-Batu, will also be showcased, along with the designer collections RAK-Variant and RAK-Petit in matte white and matte black. These are designed by renowned Italian designers Daniel Debiasi, Federico Sandri, and Giuseppe Maurizio Scutella, respectively.

Find them at Fiera Milano, Rho, Hall 6P Stand A30 from 16th to 21st April 2024.
