Villa

Imagining an ideal living space, where interior colours and design choices are effortlessly selected and balanced, making you feel at home at every step.

A beautiful villa surrounded by nature. Surfaces enhanced by an abundance of large windows and natural light revealing every single surface feature, texture and finish.

In this stylish contemporary context, ceramic surfaces form a dialogue between rooms and a continuum of material, creating an uninterrupted spatial flow.

Every interior fully reflects RAK Ceramics' remarkable product range and materials, with a special showcase of our latest collections and innovations. RAK Ceramics' products and materials are featured in all their beauty and versatility, opening up new perspectives in tiles application and challenge the viewer's perception of ceramics.

OPEN SPACE

A fluid uninterrupted space, encompassing the living room, dining area and kitchen. A creative mix of natural tones on the floor, and bolder design elements as wall surfaces. A combination of stunning aesthetics and high-performing technical materials.

Wall: Preziosi rock 120x260
Shine stone dark grey 30x60
Floor: Flag stone light sand 60x120
Counter: Surface xl cool grey 135x305

BEDROOM

Wall: Versilia marble white 120x260
Thassos hyper white 120x260
Floor: Flag stone light sand 60x120

A warm and welcoming atmosphere with plenty of light and elegant visual elements. The mega slabs standing out with their seamless marble-look patterns, in contrast with more neutral hues of the for the floor and wall.

BATHROOM

The ultimate dream bathroom. A space where the green tones on the inside perfectly blend with nature on the outside, thanks to the mega slab wall creating a game of reflections with the mirror and window.

Wall: Eface light grey 37.5x75
Eface light grey decor 37.5x75
Smeraldo green 120x260
Floor: Flag stone graphite grey 60x120

GYM

An oasis, a next-level personal training space that seamlessly blends with the landscape. Durable high-performing wall surfaces in a bold metal look combined with the natural hues of stone-effect tiles to create a continuum with the outdoor area.

Wall: Mimesis anthracite 60x120
Floor: Flag stone light sand 60x120

POOL

Enjoying leisure time in a stylish and safe environment where attention to detail in design selection and application is paramount. Neutral tones of the flooring around the pool blend with the setting and architecture while guaranteeing excellent non-slip benefits.

Floor: Coral stone beige 60x120
Coral stone beige special pieces (grill) 24.5x24.5
Pool: Swimming pool light grey 11.7x24.5
Swimming pool light grey decor 11.7x24.5

Apartment

A homey private refuge from the hustle and bustle of urban centres.

A carefully designed apartment featuring a selection of luxury ceramic materials able to enhance every room with style, while adapting to many different functions and uses.

In this compact yet complete apartment set against the backdrop of city life, each room is connected by a consistent style, creating a solid architectural and design project.

Some of RAK Ceramics' high-end porcelain series in wood, marble, concrete and stone effect feature in combination with the new small size ceramic tiles, showcasing an impressive scale of formats, colours and applications.

OPEN SPACE

A continuous space where functionality and aesthetics are in complete harmony. Large format slabs in marble vein patterns to elevate the living room walls, durable wood-effect flooring and ceramic kitchen walls in sage for the best colour combination. Every detail is accounted for, with beauty and practicality.

Wall: Thassos hyper white 120x260
Versilia marble white 120x280
Taut salvia 40x120
Floor: Sigurt wood black forest 19.5x120
Counter: Surface xl cool grey 135x305

BEDROOM

A cozy personal space where to feel content and centered amid the high pace of modern urban lifestyles. The warmth and elegance of wood tiles coupled with soft wall decors in fabric-look for a bedroom that exudes intimacy and style.

Wall: Braid antique white decor 40x120
Floor: Sigurt wood black forest 19.5x120

BATHROOM

With the right design choices, smaller bathrooms can still be big on style. Reflective surfaces for a brightly coloured wall bouncing the light around the room, balanced with the sheer simplicity of concrete-effect floors and light neutral walls.

Wall: Marakkesh dark blue 7.5x30
Retro soft beige 30x90
Floor: Lava concrete light grey 60x60

STUDY

The ideal study place to reflect, focus and create. Comforting wood flooring in dark shades, combined with powerful marble mega slabs as evocative backdrop for a room utterly dedicated to creativity and concentration.

Wall: Metamorfosi palms cord decor 120x260
Floor: Sigurt wood black forest 19.5x120
Furniture: Sigurt wood scandinavian oak 19.5x120
Table: Maximus uni dark grey 135x305

TERRACE

A functional outdoor space to relax and enjoy dramatic skyline views in total safety. Sustainable and adaptable porcelain flooring which perfectly fit outdoor applications with optimal non-slip performance thanks to advanced technology.

Floor: Revive concrete grey 60x60
Table top: Viareggio hyper white 135x305
