The marbles RAK Ceramics @ Cersaie2016: the right atmosphere to imagine

Elective material to depict the classical and modern era, marble has been interpreted in a contemporary language for achieving brilliant and aesthetic results. Reflective surfaces, where the light can traverse across the tile and result in bringing the matter alive and invite the eye to get lost along its lines.

Atlantis Marble, is on display at Cersaie 2016, with the photograph of the marble tiles which is designed with elegance and in a purely modern style. The collection consists of wall and floor coverings and comes in two colours, white and brown. It is made in different sizes to suit the needs of the space and furniture for which it is designed: living rooms, bedrooms and bathrooms in the residential, lobby, restaurants and lounges in the commercial. Atlantis Marble also has decorations from refined textures, classic mosaics, octagonal and strips format.

At the exhibition show the glazed surfaces of **Golden Marble** will shine. The new collection of marble effect tile is inspired by six different types of noble material and six gradations, calacatta gold, gray arabesque, belvedere intense black, beige, beige imperial, khatam red, imperial brown.

RAK ceramic has created the collection as if they were artistic jewels. The porcelain gres tile surfaces are tinged with precious gold, which gives light and charm to the wall coverings and floor, it is best suited for decorating luxury contexts, private villas and 5-star hotel lounges, spa and hammam, dreamlike bathrooms, for living chillout in style, the lobby, restaurants... It is precious in design, and rich in formats, Golden Marble offers special items, mosaics in Herringbone and hexagon pattern.

Research on **RAK Ceramics Marble** is also reflected on ceramic white body with **Dream Marble**, which are considered among the best novelties of the exhibition. The collection plays with the same colour scheme combination of the four different marbles. It is originated from classical inspiration, but speaks the language of modern design, to furnish boutique, lounge room, hall, living, restaurants and hotels, bathrooms, in two colours - gray and brown which are interpreted in light variations, mid and dark - and different formats for wall and floor coverings.

The collection is perfect to achieve the dreamlike effect of the wall panel in your bedroom or entire, luxurious walls and decorations from precious textures of the collection. Come and discover them at Cersaie 2016. **RAK Ceramics** is waiting.
