

Inspired by pebbledash walls of old forts, the country brick collection of 7x28cm & hexagonal 20x23cm gres white body tiles has a unique modern charm. The colour palette consists of light grey, grey, dark grey, beige, dark beige and brown, to characterize the rooms with a rustic and yet contemporary look.

, Apart from residential application areas like kitchens, study, living room and bathroom, **Country Brick** tile collection can also be used to give warm touch to commercial areas, especially in bars and boutique, or as an element of the finishing touch to fireplaces, interior walls or garden.

, Perfectly complements with wood and concrete effect inspired porcelain tiles.
