RAK CERAMICS WELCOMES ITS CUSTOMERS TO NEWLY RENOVATED SHOWROOMS IN UAE

Being a global leader in providing lifestyle solutions with its innovative tiles, slabs and bathroom products, RAK Ceramics redesigns its showrooms to maximize the customer design experience.

The renovated 2,100 sqm showroom in the main headquarters in Ras Al Khaimah contains a space dedicated for the Signature Collection, technical area with specifications of bathroom products, ambiances for bathroom, kitchen, living and bedroom showing diverse applications and design solutions and an area for Maximus mega slab collection including the latest backlit tiles – Luce series.

Visitors like designers, architects and end-users will be able to find creative inspirations and design ideas for their projects with a particular area designed as an interconnected pathway. The various ways of combining tiles with different designs, shapes, and sizes are showcased in different ambiances where the visitors can easily walk through and appreciate.

RAK Ceramics' Flagship showroom in Deira also recently opened its doors with a revamped design. The two-floor showroom included an exhibitor's area, a space for Maximus Mega slab collection and ambiances with different settings including outdoors.

Aside from the Corporate and Flagship showrooms, RAK Ceramics also built a separate 1,000 sqm Outlet in Ras al Khaimah.

A special new space for B2B presentations and stock display with a wide range of all the RAK Ceramics production.

The showrooms are open weekly on the following days and time:
