## Focused on ceramics expertise

RAK Ceramics is one of the largest ceramics brands in the world. Specialising in ceramic and gres porcelain wall and floor tiles and sanitaryware. The company has the capacity to produce 123 million square metres of tiles and 5 million pieces of sanitaryware per year at its state-of-the-art plants across the United Arab Emirates, India and Bangladesh.

Founded in 1989 and headquartered in the United Arab Emirates, RAK Ceramics serves clients in more than 150 countries through our network of operational hubs in Europe, Middle East and North Africa, Asia, North and South America and Australia. Across global operations the company employs approximately 15,000 staff from more than 40 nationalities. RAK Ceramics is a publicly listed company on the Abu Dhabi Securities Exchange in the United Arab Emirates and as a group has an annual turnover of approximately US\$1 billion.

## We play our role for a better environment and society

Sustainability in every sphere of business is one of the main elements of RAK Ceramics mission statement. The company is committed to practising environmental stewardship throughout its manufacturing chain, from product design and efficient operations processes, to playing an active role in building a better community by enhancing the surrounding environment. The organisation's activities improve energy efficiency, reduce pollution, enhance biodiversity and improve the quality of life for both people in the communities it operates in and for its workforce. It recycles natural raw materials to help conserve natural resources and adopts clean development mechanism (cdm) projects to reduce carbon emissions during the manufacturing process.

RAK Ceramics is the first ceramics manufacturing company in its region to produce a global reporting initiative (GRI) sustainability and corporate social responsibility (CSR) report, based on the latest GRI-g4 guidelines. RAK Ceramics is a founding member of Emirates Green Building Council, which supports the development of sustainable buildings in the UAE.

FROM (FSC® CERTIFIED) RESPONSIBLE SOURCES

The RAK-JOY and RAK-JOY UNO wooden furniture collection respects the environment and the life of the furniture itself. All particleboard and MDF used in the construction of this striking furniture collection comes from FSC certified responsible sources, respecting the forests, the people and wildlife who call them home.

With a solution for every installation and four finishes to meet every design requirement, the latest brassware ranges offer the opportunity to bring your individual flair to your most personal room. Offering a market leading 15 year warranty and environmentally conscious water saving elements. Masculine meets feminine in an array of design and colours.
